This form must be complete IN FULL and return to the Secretary

Team captains are solely responsible for their players' registration. The player(s) must print and sign on this form to be eligible to play in any matches. The secretary must receive this registration prior to him/her take part in the match. The league allows teams to register any new players until the last 6th week of each season. All players' information is kept strictly confidential.

Any team who plays player(s) that are not properly registered will result in the offending team being give a £10* fine (each unregistered player). If the offending team won the match, then the match result will be reversed.
